/src/graphics/VertexArray.cpp

```
graph TD; A["/home/zuraw/Desktop  
/42-advanced-core/scop  
/src/graphics/VertexArray.cpp"] --> B["VertexArray.hpp"]; B --> C["GL/glew.h"];
```

A vertical flowchart with three rectangular boxes. The top box is dark gray and contains a file path. A blue arrow points down from the bottom of the top box to the top of the middle box. The middle box is white with a black border and contains the name of a header file. Another blue arrow points down from the bottom of the middle box to the top of the bottom box. The bottom box is light gray and contains the name of a library header.

VertexArray.hpp

GL/glew.h
